03403529845 | kashanbabar007@gmail.com | House No. 1297, Sector I-11/2, Islamabad

SUMMARY

I am a final-semester BS Project Management student, having completed the Google Project Management Course, with hands-on startup experience as Co-Founder of Potato Land, where I led operations, product development, marketing, and customer engagement. I completed a Project Management internship with Excelerate (supported by Saint Louis University) and I am skilled in project planning, execution, research, and analysis. Proficient with MS Project, Power BI, Tableau, and Microsoft Office.

EDUCATION

BS Project Management

International Islamic University, Islamabad

2022-2026

GCE A'Level

Private Candidate

2021

GCE O'Level

Myer's College

2018

EXPERIENCE

Co-Founder

Potato Land

Feb 2024 - Jan 2025

- Co-founded and operated a small food startup, leading product development, pricing, and day-to-day operations.
- Applied project management practices to plan product launches, track progress, and resolve operational challenges.

Project Management Trainee Internship

Excelerate

Mar 2024 – Apr 2024

- Created project schedules and Gantt charts using MS Project to track milestones and deliverables.
- Prepared progress reports and status updates for stakeholders; maintained risk and issue logs.

PROJECTS

Sales Performance Analysis Using Power BI and Tableau

- Built interactive dashboards in Power BI and Tableau to analyze sales by category, item, city, branch, and date.
- Identified top revenue-generating categories and branch-level performance trends to inform merchandising decisions.

NGO's Mega Project Analysis & Innovation Study

- Conducted in-depth analysis of the project, evaluating planning, execution, and innovation strategies
- Identified key innovations in technology, sustainability, and project execution
